## **CHAPTER II**

### **REGISTRATION OF THE USERS AND PROCESSING OF THE PERSONAL DATA OF THE REGISTERED USERS**

6. The members of the University community become the registered users of the Library and acquire the right to use the services of the Library when their personal data are transferred from the University Academic Information System to the BIS. The single sign-on system of the University is used for logging onto the BIS.

7. The non-members of the University community, who wish to become the registered users of the Library, have to present a valid document confirming their identity, specify their personal data, fill in and sign the application form (appendix 1 to the rules) to confirm that they:

7.1. have read the rules;

7.2. have submitted true and accurate personal data;

7.3. are informed about the purposes and conditions of data processing.

8. The identifiers provided by the Library are used for logging onto the BIS of the non-members of the University community. The services of the Library are only provided to the users who have updated their registration data (re-registered) in the current year.

9. The services of the Library are provided to the registered users when they present a valid document identifying the person (Lithuanian student identity card / card of the University employee / card of the member of the University Veteran Club “Emeritus” / passport / personal ID card).

10. The Library processes personal data following Regulation of the European Parliament and the Council (EU) 2016/679 on the Protection of Individuals with Regard to the Processing of Personal Data and the Free Movement of Such Data of 27 April 2016 (hereinafter – Regulation), the Law on Legal Protection of Personal Data of the Republic of Lithuania, the Policy for Personal Data Processing of Kaunas University of Technology and the Policy for the Privacy of Personal Data of Kaunas University of Technology approved by the orders of the Rector of the University.

11. The non-members of the University community sign to confirm that they have read these rules and the Library, according to its right to process personal data when the users register and use the services of the Library provided by the legislation, will process the following personal data provided by the user:

11.1. name;
