

Discover Pearson e-books

How do I access my Pearson content?

1. Click the link <https://resolver.vitalsource.com> to begin the activation process.
2. Click the *No thanks, I'll skip this step* button.
3. Once logged in find a book that you're interested in and click *Borrow* (Explore tab).
4. You can read, highlight, and annotate just as you would on paper. Highlight text with one click in your choice of colours. Add notes to highlighted passages. Even subscribe to your classmates' and instructors' highlights and notes to view in your book.
