BORROWING BOOKS

Users can find and order books:

- visiting library,
- KTU virtual library ktu.lvb.lt

After login to e-catalogue or KTU Virtual Library personal account users can:

- check which books are borrowed,
- check when books should be returned,
- extend the loan period of borrowed book.

Reader can prolong the return date of borrowed book if other reader has not reserved it. User who borrowed a book for one month can extend the return date for another month multiple times, while books issued for 3 days, 1 week or semester borrowing term could be extended online only once.

If KTU library does not have the book student is searching for, student can search in other Lithuanian libraries or databases.

Attention!

If a book was not returned on time, user will have to pay fine. Fine voucher could be ordered after login to [Academic Information System](#) in section "Settlement with university".

E-RESOURCES

Being members of university community, users can browse subscribed databases and e-books, which can be found in:

- KTU Virtual Library ktu.lvb.lt;
- library website section Resources <https://library.ktu.edu/databases>.

Usage of e-resources in University network does not require passwords. If user wants to access e-resources from home computer, one of the following options should be selected

- remote access ([Ezproxy](#)),
- KTU Virtual Library (ktu.lvb.lt)
