Let's talk

For researchers

For students

For schoolchildren

Website

On the website users can:

- ✓ search in the KTU virtual library;
- ✓ use remote network;
- ✓ view virtual exhibitions;
- ✓ suggest a book to add to stock;
- ✓ book an online consultation.

On the website users will find:

- ✓ databases;
- ✓ subject guides;
- ✓ training resources, video guides;
- ✓ services.

library.ktu.edu

Using KTU virtual library

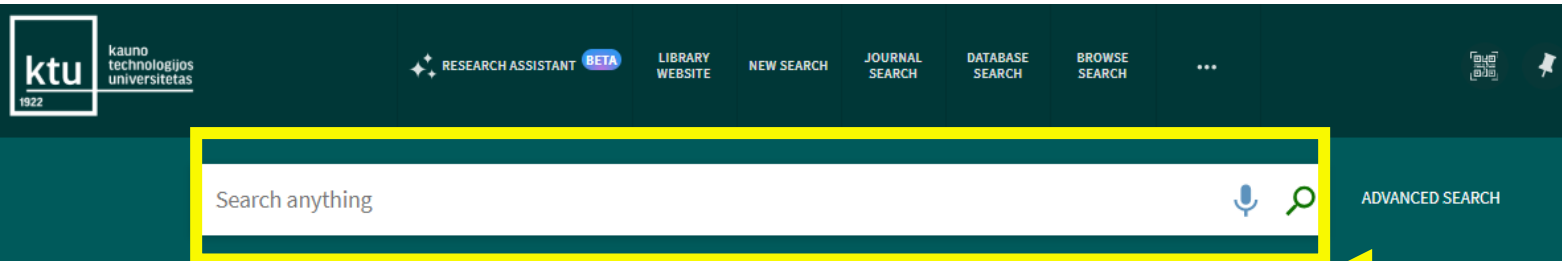

In the virtual library:

- ✓ search for books and other publications;
- ✓ order books;
- ✓ check user information;
- ✓ check if the books are available for borrowing;
- ✓ use full-text documents.

vb.ktu.edu

Virtual library

Search in:

- ✓ Library resources;
- ✓ KTU Science Publications database;
- ✓ Subscribed Databases;
- ✓ Other resources.

In the Kaunas University of Technology Virtual Library (KTU VB) you can search:

- printed resources: books, journals, newspapers and other publications;
- e-resources: books, articles (in subscribed and open-access databases);
- digitised documents;
- KTU scientific publications;
- final theses of studies;
- standards of Lithuanian Standards Board (LST);
- literature for study modules.

Where can I get help?

- [Ask for](#)
- [Registration for consultation](#)
- [KTU VB help](#)

Signing in to KTU VB, you will be able:

- to request for items kept in the library;
- to renew the return date of borrowed items;
- to use resources that the library is subscribed to;
- to look through the list of your borrowed items;
- to save search results and requests;
- to assign tags to search results;
- to set automatic sending of news to your e-mail, etc.

View information in *Library Card*

The screenshot shows the KTU library website interface. At the top left is the KTU logo (1922) and the text "kauno technologijos universitetas". The top navigation bar includes links for "RESEARCH ASSISTANT BETA", "LIBRARY WEBSITE", "NEW SEARCH", "JOURNAL SEARCH", "DATABASE SEARCH", and "BROWSE SEARCH". On the right, there is a search bar with "Surname, Name" and a dropdown arrow, and a "SIGN OUT" link. Below the navigation bar, the page title "My Library Card" is displayed. A horizontal menu contains tabs for "OVERVIEW", "LOANS", "REQUESTS", "FINE + FEES", "BLOCKS + MESSAGES", and "PERSONAL DETAILS". The "OVERVIEW" tab is active. The main content area is divided into four sections: "Loans" (with a "RENEW ALL" button), "Requests", "Fine + fees", and "Blocks + messages". The "Loans" section lists two items with their due dates and pickup locations. The "Requests" section shows a request in process. The "Fine + fees" section displays a current fines balance of 0.70 EUR and an overdue fine of 0.70 EUR. The "Blocks + messages" section indicates there are no blocks. A dropdown menu is open from the "Surname, Name" search bar, listing options: "Library Card" (highlighted with a yellow circle), "My Loans", "My Requests", "RefWorks", "My Favorites", "Search History", and "Display Language: English".

4	Energy-efficient building systems :	Jayamaha, Lal,	Due: 2024-08-01, 21:00	Return to: University Campus Library Literat...	RENEW

Renewal not possible:

if your debt (overdue fee) exceeds 5 EUR

if the item has been reserved by someone else.

How to get the book you have ordered

- ☺ After reservation, you will receive a notification via e-mail.
- ☺ When you order a book in the KTU Virtual library, you should visit the library where the book is located.
- ☺ Reservation of an item is valid for 3 workdays. Later it will be canceled.

E-resources, databases

E-resources

The library subscribes to databases that are available to all members of the KTU community. The databases are listed below in alphabetical order. In this section you will also find KTU Virtual library, Study modules literature search, eLABa, etc.

Subscription databases **cannot be accessed from home via VPN**. [Information on accessing databases from home.](#)

Databases and descriptions according to the alphabet

A

Academic Search Ultimate (EBSCO) – offers the combination of academic journals, magazines, periodicals, reports, books and videos meets the needs of scholars in virtually every discipline ranging from astronomy, anthropology, biomedicine, engineering, health, law and literacy to mathematics, pharmacology, women’s studies, zoology and more.

AccessEngineering – an engineering reference tool for professionals, academics, and students that provides access to the collection of authoritative, regularly updated engineering reference information. Access Engineering also comprises dynamic online features, such as instructional, faculty made videos, calculators, interactive tables and charts. [More](#).

ACM Digital Library – the ACM Digital Library is a research, discovery and networking platform containing publications, including journals, conference proceedings, technical magazines, newsletters and books covering the field of computer science.
