Information about library

The most convenient way to receive answers to questions you have, find necessary information resources.

library.ktu.edu

Library website <https://library.ktu.edu>

Library

The Library of Kaunas University of Technology is one of the largest libraries in Lithuania; it stores and constantly replenishes one of the richest collections of printed books and periodicals on engineering, technology and sciences in Lithuanian and other languages. The Library also provides access to vast e-resources.

Search anything / All library resources [dropdown] [microphone icon] [magnifying glass icon] ADVANCED SEARCH

In the Kaunas University of Technology Virtual Library (KTU VB) you can search:

- printed resources: books, journals, newspapers and other publications;
- e-resources: books, articles (in subscribed and open-access databases);
- digitised documents;
- KTU scientific publications;
- final theses of studies;
- standards of Lithuanian Standards Board (LST);
- literature for course reserves.

Literature search in Course Reserves

Use the following options to find for literature in Course Reserves:

- enter the course name, code, instructor, etc. in the search box;
- use filters or advanced search options.

Where can I get help?

- [Ask for](#)
- [Registration for consultation](#)
- [KTU VB help](#)

Signing in to KTU VB, you will be able:

- to request for items kept in the library;
- to renew the return date of borrowed items;
- to use resources that the library is subscribed to;
- to look through the list of your borrowed items;
- to save search results and requests;
- to assign tags to search results;

Search in:

- ✓ Library resources;
- ✓ KTU Science Publications database;
- ✓ Subscribed Databases;
- ✓ Other resources.

virtualbiblioteka.ktu.edu

Search results

The screenshot shows the KTU library search results page. The header includes the KTU logo (1922) and navigation links: RESEARCH ASSISTANT, LIBRARY WEBSITE, NEW SEARCH, JOURNAL SEARCH, DATABASE SEARCH, COURSE RESERVES SEARCH, and a menu icon. A search bar contains 'digital signal processing' with a dropdown for 'All library resources' and a 'Sign in' button. Below the search bar, a yellow box labeled 'search filters' points to a sidebar on the left. The sidebar contains options to 'Tweak your results' (Expand My Results), 'Sort by' (Relevance), and various filters: Availability, Subject, Author/Creator, Resource Type, Creation Date, Language, Library, Location, Institution, Collection, and Journal Title. The main results area shows four items. The first item, 'Digital signal processing (Online)', is highlighted with a yellow box labeled 'Available Online' and a yellow arrow pointing to it. The second item, 'Digital signal processing / João Marques de Carvalho [and three others]', is also highlighted with a yellow box labeled 'Available Online'. The third item, 'Digital signal processing / John G. Proakis, Dimitris G. Manoplakis', is highlighted with a yellow box labeled 'View detailed record of item'. The fourth item, '1994 Sixth IEEE Digital Signal Processing Workshop : October 2-5, 1995, Yosemite National Park, California', is also highlighted with a yellow box labeled 'Available Online'. A yellow box at the top right contains the text: 'Log in to your Virtual library account with your KTU single sign-on system username and password'.

View information in *Library Card*

The screenshot displays the KTU Library Card interface. The top navigation bar includes the KTU logo (1922) and the text 'kauno technologijos universitetas'. To the right of the logo are several menu items: RESEARCH ASSISTANT, LIBRARY WEBSITE, NEW SEARCH, JOURNAL SEARCH, DATABASE SEARCH, and COURSE RESERVES SEARCH. On the far right of the top bar is a user profile section labeled 'Surname, Name' with a dropdown arrow. Below the top bar is a header area with a back arrow and the text 'My Library Card'. A yellow box highlights a row of tabs: OVERVIEW, LOANS, REQUESTS, FINE + FEES, BLOCKS + MESSAGES, and PERSONAL DETAILS. The 'OVERVIEW' tab is currently selected. Below the tabs are four main content areas: 'Loans' (with a book icon and the text 'There are no loans'), 'Requests' (with a gear icon and the text 'There are no requests'), 'Fine + fees' (with a list of overdue fines), and 'Blocks + mess' (with a book icon and the text 'There are no blocks'). On the right side, a dropdown menu is open, showing options: 'Library Card' (highlighted with a yellow oval), 'My Loans', 'My Requests', 'RefWorks', 'My Favorites', 'Search History', and 'Display Language: English'. The 'SIGNED IN AS: Surname, Name' and 'SIGN OUT' text are also visible in the dropdown menu.

Extend the loan term

The screenshot shows a 'My Account' page with a navigation bar containing 'OVERVIEW', 'LOANS' (highlighted with a yellow circle), 'REQUESTS', 'FINE + FEES', 'BLOCKS + MESSAGES', and 'PERSONAL DETAILS'. Below the navigation bar, there is a 'Loans' section with a dropdown menu set to 'Active loans'. To the right of the dropdown is a 'Sort by' dropdown and a 'RENEW ALL' button (highlighted with a yellow circle). Below this, there is a table of active loans. Each row in the table has a checkbox on the left, a loan title and borrower name, a due date and return location, a 'RENEW' button (highlighted with a yellow circle), and a dropdown arrow. The loans listed are:

Item	Due Date	Return to	Action
1 Networks for building and industry a... Rutkauskas, Romas,	Due: 2024-08-26, 21:00	Return to: University Campus Library Literat...	RENEW
2 Bendravimo psichologija šiuolaikiškai : Almonaitienė, Junona Silvija,	Due: 2024-08-17, 21:00	Return to: University Campus Library Literat...	RENEW
3 Value management of construction p... Kelly, John,	Due: 2024-08-01, 21:00	Return to: University Campus Library Literat...	RENEW
4 Energy-efficient building systems : Jayamaha, Lal,	Due: 2024-08-01, 21:00	Return to: University Campus Library Literat...	RENEW

Renewal not possible:

if your debt (overdue fee) exceeds 5 EUR;

if the item has been reserved by someone else.

How to get the book you have ordered

- After reservation, you will receive a notification via e-mail.
- When you order a book in the KTU Virtual library, you should visit the library where the book is located.
- Reservation of an item is valid for 3 workdays. Later it will be canceled.

E-resources, databases

E-resources

Subscription databases are available to all members of the KTU community. You can search the [KTU Virtual Library](#) for subscription e-resources or select a specific database via the [Database Search](#), or below on this page. Here you can also find information about accessing subscription databases from home, free trial databases, free resources, reference management tools and more.

Subscription databases cannot be accessed from home via VPN. [Information on accessing databases from home.](#)

Databases

Databases and descriptions according to the alphabet

A

Academic Search Ultimate (EBSCO) – offers the combination of academic journals, magazines, periodicals, reports, books and videos meets the needs of scholars in virtually every discipline ranging from astronomy, anthropology, biomedicine, engineering, health, law and literacy to mathematics, pharmacology, women's studies, zoology and more.

AccessEngineering – an engineering reference tool for professionals, academics, and students that provides access to the collection of authoritative, regularly updated engineering reference information. Access Engineering also comprises dynamic online features, such as instructional, faculty made videos, calculators, interactive tables and charts. [More.](#)

ACS Publications – American Chemistry Society (ACS) provides access to peer-reviewed journals covering various fields of chemistry science. [List of Journals.](#)

AIP Publishing – access provided to subscribed peer-reviewed journals published by American Institutes of Physics. [List of Journals.](#)

Annual Reviews – research journals in physical, technological, economic, social sciences. List of Archive Journals: [Annual Reviews Sciences Electronic Back Volume Collection.](#)
