# BORROWING BOOKS

Users can find and order books:

- by coming to the library;
- by logging into your KTU virtual library personal account ([virtualbiblioteka.ktu.edu](http://virtualbiblioteka.ktu.edu)).

By logging into your KTU virtual library personal account you can:

- see loan item term and their return deadlines;
- extend the use period of loan items;
- manage submitted orders;
- view fines.

# E-RESOURCES

Library users can use subscription databases that provide electronic resources in various scientific fields (<https://library.ktu.edu/databases/>)

The databases can be accessed from home using one of the following options:

- Access the [KTU Virtual Library database search](#) using the KTU single sign-on;
- Use remote [Ezproxy access](#).

From University computers or wireless internet, you can access the subscribed databases directly without using login details.

# TRAINING SESSIONS

Every month, training is organized for students on the following topics:

- Bibliographical references management program Mendeley;
- Bibliographical references management program RefWorks;
- How to cite and prepare a list of references (APA citation style);
- How to cite the resources and prepare a list of references (ISO 690:2021) (for technological sciences);
- How to find the information resources for your master thesis/ course paper (technological and physical sciences);
- How to find the information resources for your assignment (social sciences);
- Final degree project: how to check similarity in the Turnitin system and upload to eLABa repository;
